Students, do you like Skittles?

You've got a chance to win A TON of Skittles this week. Simply guess the number of skittles that are in the jar, *during 1st and 2nd lunch, any day this week.*

If you get the exact number, you'll win the entire jar filled with Skittles. If nobody guesses the exact number, the person who guesses the closest number without going over will win the jar.

We'll take guesses for a quarter all week long. Guess as many times as you'd like. The winner will be announced on Friday and will receive more than a weekend's worth of candy.

So, taste the rainbow and find our Lead2Feed students *this week during 1st and 2nd lunch*. Good luck!
