

## MHS Teacher of the Year

We would like to congratulate our new Teacher of the Year Mr. Chris Chappell!!

Mr. Chappell, a history teacher at Menchville High School, was named High School Teacher of the Year. Mr. Chappell has been teaching at Menchville for six years. He loves the challenge that teaching presents and to see his students learn.

In order to engage his students he approaches teaching with excitement and a sense of humor. This year he was awarded a class set of iPads from the Virginia Department of Education; this new technology has greatly helped engage his students in learning.

Mr. Chappell is a wonderful example of the phenomenal teachers that represent Menchville High School. Congratulations Mr. Chappell and thank you for all of your hard work and dedication to our students.
